COVID-19 RESPONSE
through mid April

Community support

The City of Carlsbad takes a "whole community" approach to emergency management. This means we reach out to community organizations and others to help ensure they have the resources and information they need to protect the health and welfare of those they serve. Here are the number of entities the city has coordinated with in six key community sectors.

63

Child care facilities

255

Homeowners associations

55

Faith based groups

75

Assisted living and group homes

45

Hotels

25

Schools
